Structure Fire

January 7, 2010

NORTH KINGMAN: The Northern Arizona Consolidated Fire District #1 responded to a reported structure fire in the 2600 block of Suffock Ave at 20:50 hrs. The NACFD#1 responded with one (1) Battalion Chief, three (3) engine companies, (1) truck company and a Paramedic Squad. Upon arrival fire personnel observed a single wide mobile home with light smoke coming from the front door of the structure. The first arriving units deployed hose lines to contain the fire to the stove and hood area. The fire was contained in approximately 10 min after arrival of the first engine company.

The fire cause was determined to be accidental in nature due to food products left on the stove. Mohave County Sheriff’s Department, American Medical Response Ambulance, and Unisource Energy provided assistance.

No injuries were reported of fire personnel or occupants.
